How Quartermania works

You pick a numbered bidding paddle(s). When an item you like comes up for bid, place the appropriate number of quarters in the bowl on your table for each paddle you play & raise your paddle(s). If the auctioneer calls your number AND you have bid on that item, you **WIN!** The bidding goes quickly and over 100 items will be auctioned off in less than two hours.

The cost to BID on each ITEM depends on the retail cost of the item:

\$10.00-\$25.00	1 Quarter Bid
\$26.00-\$50.00	2 Quarter Bid
\$51.00-\$75.00	3 Quarter Bid
\$76.00-and Higher	4 Quarter Bid

Example: A 2 quarter bid item comes up. You have 3 paddles, but only want to play 2 paddles. Your total bid is \$1 (4 quarters) and you would raise only 2 paddles and leave one paddle down, which isn't played in this round.
