

# To the OBG volunteers and supporters,

Because you cared, I am not in a shelter, I am not trying to run away from cars, rain, snow and hunger. I am not dirty and sick. I am healthy, warm and clean. My stomach is full and I have my new family to care and love me. With your busy life, you stopped long enough to care for me. I just wanted to say may your Holiday be as wonderful as mine will be—because you cared.
